A MESSAGE FROM YOUR PRESIDENTS

Hello Sisters!

We hope everyone is welcoming springtime. Last month, 23 sisters and friends met for “Caffeinate and Paint” at MCCTC. Under Melissa Hackett’s instruction, we all created paintings that we were proud of. And the delicious cookies and coffee provided by the MCCTC baking class were wonderful. What fun! This month we meet on April 11th at the Canfield Library at 5:30PM to hear Kathy Mock (from the United Way) speak about the Dolly Parton “Imagination Library”. We will also vote on the slate of new officers for the next biennium and new Gamma Pi members. Please plan to attend.

Also, plan ahead for Tuesday, May 10, 2022 at 5:30 at A La Cart Catering in Canfield for our spring social and meeting. Looking forward to seeing you then, too.

MARCH MEETING RECAP

Our March meeting began in the classroom of Gamma Pi sister, Melissa Hackett. She and her assistant took us step by step through the production process of painting a whimsical still life. In between instruction, we were able to nibble on delectable treats created by the Career Center's baking class. We had such a wonderful time! We were all so engrossed in our creations that we did not have a business meeting, and we ended up going over our time allotment. Thank you Melissa for your patience and your wonderful instruction.
